Section 2. A new Article 5.2.1 is added to Chapter IV of the Los Angeles Municipal Code to read as follows:

ARTICLE 5.2.1

**COMMERCIAL CANNABIS ACTIVITY PROHIBITION
AND LIMITED IMMUNITY**

SEC. 45.19.8. PURPOSES AND INTENT.

This Article is necessary to preserve public safety and implement Measure M adopted by Los Angeles City voters on March 7, 2017. This Article provides limited immunity from specified criminal and civil remedies and enforcement measures of the City for defined Commercial Cannabis Activity, but only when conducted by persons that are both licensed by the state of California and recognized by a compliance document issued by the City's Cannabis Commission, and only on condition that the Commercial Cannabis Activity at all times complies with this Article, and all other restrictions and regulations applicable to Commercial Cannabis Activity under City ordinances and the laws of the state of California.

The use of any building, structure, location, premises or land for any Cannabis activity is not enumerated in the Los Angeles Municipal Code as a permitted use in any zone, nor is the use set forth on the Official Use List of the City as determined and maintained by the Zoning Administrator. It is thus unlawful to conduct any Cannabis activity except as expressly provided by State law.

The purpose of this Article is also to stem the negative impacts and secondary effects associated with Commercial Cannabis Activity in the City, including but not limited to: neighborhood disruption and intimidation caused in part by increased transient visitors; exposure of school-age children and other sensitive residents to cannabis; cannabis sales to minors; and violent crimes.

This immunity may only be asserted as an affirmative defense in an enforcement proceeding. The burden of proof in any enforcement proceeding to establish Limited Immunity shall be upon the person(s) engaging in the Commercial Cannabis Activity.
