RE: Opposition to SB 827 (Wiener)

Dear Honorable Members:

I write this letter to urge your support for the LACDP Legislative Action Committee's recommendation to oppose Senate Bill 827 by State Senator Scott Wiener. This bill is a careless example of policymakers taking a one-size-fits-all approach to housing, without concern or protection for the single family home neighborhoods of our City, for the rent stabilized housing stock that provides affordability for tenants, or for the amount of thought and energy your Los Angeles City Council and Mayor have put into implementing changes in housing policy and for the homeless to deal with the ongoing crisis. The State of California may have the ability to tell us how much housing to build in our City, but only we know where best to build it and what works best for our neighborhoods.

Once again, I urge you to support OPPOSITION to SB 827.

Warm Regards,

HERB J. WESSON, JR.
